

Helpful Information for Annie's Surf Shack

Aloha, Guests!

Welcome to Annie's Surf Shack! Here's everything you need to know for a smooth and enjoyable stay. Visit us at www.anniessurfshack.com for more details.

Key Details:

1. **Door Code:** Active from 4:00 PM on arrival day; expires at 10:00 AM on departure day.
2. **Wi-Fi:** Network: "TC871TE1" or "TC871TE1-5G" | Password: "TC8717T3EDDE1"
3. **TV & Cable:** Use TV remote to power on, arrow down to "Cable Box," press OK. Use cable remote to change channels.
4. **Security Screen Door Keys:** In a tray or bowl on the bar (2 keys with lanyards). We leave the door open and screen locked when out sunbathing or swimming.
5. **Sofa Bed Linens:** Sheets, blanket, and pillows in the bedroom closet.
6. **Dishwasher:** Door is stiff – give it a firm pull to open.
7. **Bathroom Fan:** Passive system (no switch) tied to the building's central fan. A small fan in the bathroom helps circulate air.
8. **Breeze Warning:** Opening the front and lanai doors creates a strong breeze. Pictures are Velcro-secured – please don't pull them off (it damages the paint).
9. **Ceiling Fans:**
 - **Front Room:** Switch by bookshelf near lanai window; remote on kitchen bar.
 - **Bedroom:** Switch by the door (when open); remote is on the wall next to the switch.
 - Ensure switches are "on" before using remotes.

10. **Coffee Filters:** Above the microwave.
 11. **Parking Pass:** Place on the car's dashboard (1 per unit). Extra passes in the top far-right kitchen drawer (facing water).
 12. **Lanai Rule:** No hanging clothes or towels over the railing – use wall hooks or bathroom instead.
 13. **Ice:** Trays are in the freezer; use a metal bowl to store ice. Fill trays your first night!
 14. **Oven/Stove Safety:** Knobs turn on easily if bumped – keep stovetop clear when not cooking.
 15. **Towels:** Beach towels on bedroom bed at check-in; bathroom towels under the sink or in drawers.
 16. **Condiments:** Wet items (e.g., oils) are removed between guests as per the cleaning contract for health and pest control reasons. Salt, pepper, and spices provided; check cupboards for leftover oils or coffee (use at your own risk).

Annie's Surf Shack Tips

Island Living Hacks:

1. **Sleep Like Locals:** Try the memory foam sofa bed with the security screen door locked, the front door half-open, and the lanai door wide open. Cool breezes and the sounds of the ocean all night! (Note: Big waves can get loud.)
2. **Turtle Spotting:** Mornings are best – they munch seaweed off the seawall. Please don't disturb them on the beach.
3. **Whale Watching:** November to May, right from the lanai!
4. **First Night Takeout:** Grab food from China Boat across the street – tasty, reliable, and perfect for a sunset lanai dinner.
5. **Bus to Lahaina:** Skip driving! Bus 28 (\$2 one-way, \$4 all-day) stops a block left (Kahana Outrigger) or right (Dollie's Pub & Café). Takes ~30 mins, with a Whalers Village stop.
6. **Kona Winds:** If breezes are light, use ceiling fans and two floor fans for comfort.
